GOOD OLD WORLD

A good old world—be glad you're here.
To share its smile and share its tear.
To dance and swing and have your day.
To greet some brother on the way,
To lend your light that those who stand
In darkness may not go astray
Across the green leagues of the land.

A good old world—look up and see
The glory of the grass and tree,
The bird and flower, the brook and stream,
The dappled vales that lie in dream,
The hills, the stars, the fertile slope,
And o'er bright summits catch the gleam
Of life's immortal love and hope.

A good old world—be brave and bright
To face your task and fight the fight,
To sing your song and lift your eyes
Beyond the shadows of the skies.
And do your best to keep the trust
That more than all we wot of lies
Beyond this dalliance and this dust.

A good old world—play well your part,
Get in the game and tune your heart
To manly will and forthright deed,
And so through life with love for creed
Be sure the heights you seek shall glow
Before you yet, though feet may bleed
And many a bubble burst and blow.

LOCAL & PERSONAL

Albert Jones, of the firm of Pence & Jones, Borderland Garage, with his wife and baby, left this week for a six-weeks visit to his old home in Brady, Texas. Reynold Jordon and Joe McCloskey accompanied the party.

Walter Chesser and party returned from a visit to Palomas Springs last week. They made the trip by auto and report a good time. Walter says the fishing is good—so good, in fact, that you have to hide behind a tree to bait your hook, the fish are so many and so hungry.

J. L. Rhymes of Separ was a business visitor in Lordsburg this week.

We had a slight rain in the early part of the week, but nothing to get excited about. We need a good rain. Here's hoping.

M. M. Owen has accepted a position as roun house foreman for the S. P. at Tucson.

If I Were a Farmer.

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds and croup.

Chamberlain's Liniment for sprains, bruises and rheumatic pains.

Chamberlain's Tablets for stomach troubles, biliousness and constipation. By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow. For sale by Eagle Merc. Co.

Arthur Nesbitt was taken to Santa Fe by U. S. Marshall William Rose last week. He was placed in the federal jail on a charge of selling liquor to soldiers in uniform.

Ong Tong lost his 6-months-old baby in death last Thursday morning at 11 o'clock. The remains will be buried from The Roberts & Leahy chapel.

FOR SALE—A Singer sewing machine, and set bed springs, in good condition. Western Liberal.

The Southern Pacific company is painting all their buildings. It certainly makes an improvement. Now when we get our Main street fixed up and a few shade trees set out, the improvement will be immense.

Mr. and Mrs. W. H. Small of Lordsburg have arrived in Long Beach, Cal., famous pleasure resort near Los Angeles, where they will pass the summer season. They are guests at the Dennie apartments.

Mrs. Frank Coon is in Albuquerque this week attending the Mother-Daughter Congress.

For Bilious Troubles.

To promote a healthy action of the liver and correct the disorders caused by biliousness, Chamberlain's Tablets are excellent. Try them and see how quickly they give you a relief for your food and banish that dull and stupid feeling. For sale by Eagle Drug Merc. Co.

Automobile owners cannot be too careful as to the quality of gasoline and lubricating oil they put in their cars.

It is not wise to stop your car at first one filling station and then another. This gives you mixed grades of "gas" and oil and plays havoc with your engine.

We handle only the best grades of gasoline and oil. And our prices are lower than you have often paid for cheaper grades. Get into the habit of calling here regularly and notice what a difference it will make in the way your car runs.

Quick and courteous service will meet you every time you stop here.

PROCLAMATION.

Mayor Geo. W. Hanner has issued a proclamation designating Friday, June 28th, as War Savings Day in Lordsburg, and calling upon the people of this city to heed the appeal of the government in this hour of national peril. The Mayor's proclamation reads:

GREETINGS.

To the citizens of the Village of Lordsburg—
Friday, June 28th, 1918, is officially designated War Savings Day by the president of the United States, the Secretary of the Treasury and the Governor of this State. All loyal citizens of this community will accordingly devote the afternoon of said day after 2 o'clock, to subscribing for War Savings Stamps, and otherwise promoting their sale in large amounts.

All who are able should pledge themselves to save and invest the limit allowed by law.

GEO. W. HANNER.

Notice

On and after June 1st both lumber yards will close promptly at 12 o'clock, noon, every Saturday.

Mrs. Young Bounds, Miss Phyllis Johanna Bounds and Mrs. Harry Hill spent several days in town. Mrs. Hill went for a few days rest at the Bounds ranch, near Separ. The kindly hospitality for which this great ranch is so well known, will no doubt quickly overcome the results of her recent indisposition.
